International Student Symposium "IF IM CAD"

April 10, 2020, Bucharest, Romania

Dear Students and Dear Colleagues,

We have the great pleasure to invite you to participate to the International Student Symposium "IF IM CAD" organized by the University of Agronomic Sciences and Veterinary Medicine of Bucharest, Faculty of Land Reclamation and Environmental Engineering, on 10th of April 2020.

Our Symposium aims to bring together BSc, MSc and PhD students with research interests in the fields of Civil Engineering, Management and Engineering, Geodesic Engineering and Environmental Engineering.

Given the necessity to develop these areas in Romania, we believe in the scientific contribution of your research experience and we welcome you to develop long-lasting connections and partnerships.

The papers presented during the Symposium will be published in the ISSN indexed "Journal of Young Scientist" and will be available as open-access on <http://journalofyoungscientist.usamv.ro>.

On behalf of the organizing committee,

Professor PhD Raluca Margareta MANEA

Dean of the Faculty of Land Reclamation and Environmental Engineering
