

Dear Students,

Dear Colleagues,

*We are pleased to invite you to the **20th Edition of the International Student Symposium “IF IM CAD”**, organized by the Faculty of Land Reclamation and Environmental Engineering within the University of Agronomic Sciences and Veterinary Medicine of Bucharest, taking place on May 8th, 2026.*

We welcome contributions across all fields related to Civil Engineering, Management and Engineering, Geodetic Engineering and Environmental Engineering.

The aim of the Symposium is to foster direct dialogue and dynamic collaboration among BSc, MSc, and PhD students, together with their scientific coordinators and to bring together potential partners for future successful and sustainable cooperation in the field of Engineering.

The papers presented during the Symposium will be published in the ISSN indexed "Journal of Young Scientist" and will be available as open-access on <http://journalofyoungscientist.usamv.ro>.

We would be honored by your participation and warmly encourage you to contribute to this anniversary edition of the Symposium.

We look forward to welcoming you at the Symposium!

On behalf of the organizing committee,

Augustina TRONAC, Associate Professor PhD

Dean of The Faculty of Land Reclamation and Environmental Engineering
